# THE INDIAN

HAW RIVER SCHOOL

MAY MEMORIAL LIBRARY

# Annual Staff

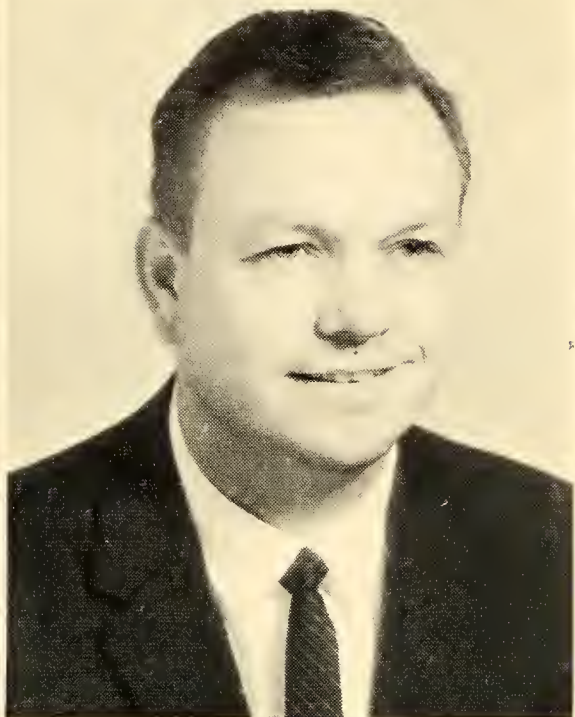

With this publication the Annual Staff had brought the Indian to the end of the trail. This is the last. Throughout the years many activities and memories of some of the happiest days of our lives have been recorded in its pages. Every September the tribes have gathered for a new trek which led to another trading post in the following spring. Attainments, new associations, joys, problems, decisions - all have played a part in molding the lives of the hundreds of young people who have gone out as graduates. The trail ends, but Haw River High School will always live in the hearts of those who have loved it as their Alma Mater.

We congratulate you who have the privilege of broader fields of education. Use your opportunities. Give to Eastern High your loyal support, and profit by its extensive program. By giving your best to yourself and to your school, show your appreciation to all who have labored so patiently for your welfare.

SEATED, Left to Right: Charles Clark, Art Editor; James Best, Business Manager; Miss Thelma Cates, Sponsor; Bill Edwards, Editor; Lewis Duncan, Sports Editor. SECOND ROW: Jimmy Thompson, Assistant Business Manager; Margaret Long, Assistant Editor; Johnny Minnis; Wally Gilliam, Assistant Art Editor; Betty Montgomery, Art Editor; Nookie Ray, Assistant Sports Editor.

## *Dedication*

We, the Seniors of Haw River High, proudly dedicate the 1962 Indian to

MR. ELMO S. ALLGOOD

Who, no matter how busy, how tired or how rushed, always has time for a friendly smile and a cheery hello. He is never too hurried to spare a moment for a word of encouragement to spur us on to higher goals of both education and spiritual life.

We would like to express our sincere appreciation for his help and guidance during the four years that we have spent in high school.

## *And To*

MR. LEO D. MARTIN

Who has made many contributions to our school life. As our professor of French, he was great.

His keen wit and sense of humor has won the hearts of many students, and we are truly grateful for his work with us.

From Elon College Annual - 1925

"To any class, of any kind, she'd be an acquisition; She's amiable to everyone - It's just her disposition."

"Once a friend, always a friend" may be truly said of Thelma. Loyalty to people whom she loves is one of her chief characteristics. Quiet, but competent, she has proved herself to be a diligent student by the four years of Latin that she mastered. Since she is a day-student, she is not with us much, but we are convinced that Thelma is a very conscientious girl who never shirks a duty. She seems able to face any baffling situation, undisturbed; and we truly believe that her every effort will be crowned by success."

#### MISS THELMA CATES

"Once a friend, always a friend", Miss Cates has remained our friend.

We, the last Senior Class of Haw River High School sincerely wish to express our gratitude, love, and deep appreciation in behalf of everyone that has ever known her, and come in touch with her truly wonderful personality. We thank Miss Cates for every bit of her patience, understanding, and remarkable untiring zeal to work for those around her.

Miss Cates, "May God bless you."

## *Board of Education*

G. O. Thompson; J. T. Martin; E. S. Allgood; R. P. Smith; J. M. Williamson; J. W. Simpson.

In Memory of  
Mr. J. W. Simpson

With the sudden passing of Mr. James W. Simpson on January 7, 1962, Haw River lost one of its most respected and best loved citizens. Truly it may be said of him "To know him was to love him." His friendly personality, his sincerity, and his devotion to the school and community have endeared him to both young and old.

## *Senior Prayer*

Our Father, which are in Heaven, we, the seniors of the class of nineteen sixty-two, are truly thankful for all of the blessings which Thou hast bestowed upon us during the years in which we have attended Haw River High School.

We are thankful for what this school means to us.

Help us to show a Christian Spirit in everything that we undertake to do, so that we may be a blessing to those whom we meet in the future as Thou hast been a blessing to us in the past.

We are grateful for the good heritage handed down to us by our forefathers. Give the leaders of our nation the strength necessary to guide our country in the paths of peace and help us as tomorrow's citizens and leaders to reveal the true ideals of Christ.

We look to Thee now upon the completion of our high school training to direct us toward a better understanding of ourselves and others. Give us the wisdom that we might approach the problems of the world with open minds, clean hands, and pure hearts.

May all of us live a life which will be pleasing in Thy sight and will bring glory to Thy name.

Amen

# Class History

The thrill of excitement that we feel today most certainly has its reasons.

Was it really four years ago that we thirty-five freshmen entered "Grand Ole Haw River High"? Since that day in 1958 we have encountered many adventures.

I remember the enthusiasm and anxiety we felt as we began our freshman year. We had Miss Thelma Cates for our homeroom teacher. We immediately elected Donna Abernathy as our President. When homecoming arrived, Judy Everheart and Donald Rice represented the ninth grade. This was the beginning of our high school career that we would remember for a life time.

Surely we can all remember the year 1959. No longer were we "green" freshmen, but thirty-nine fine sophomores--a little wiser and a little better, we thought. We were in Mrs. Betsy Wall's room that year. Our President was Rickey McPherson. Judy Everheart and David Brown represented our class in the Homecoming celebration. For class projects, we sold candy for the Christmas Prom. It was a huge success, and the prom will always be a really beautiful memory.

In September, 1960, Mr. L. D. Martin led our Junior Class of thirty-five. Judy Everheart was elected President. That year, we were very proud to present Betty Montgomery and Charles Clark as our Homecoming representatives. We sold magazines and held a Barbecue and Brunswick Stew Sale, which was very rewarding. We received our high school rings that we had long waited for and began showing them off.

Perhaps not actually confident, but with plenty of hope and faith, we are now in our senior year. At the very beginning of the year, Lewis Duncan was elected President. Mrs. Bateman was our homeroom teacher. Betty Montgomery and Charles Clark again were Homecoming attendants. Judy Everheart and Roger Boggs were Homecoming Queen and King. We had a Barbecue and Brunswick Stew Sale to help defray expenses of our New York and Washington trip in the spring. We had been waiting a long time for the trip, and when the time finally arrived, we had no disappointments. To top our final year, we had our greatest success, our annual, the last Indian that Haw River High School will ever publish.

As anyone can see, we thirty-two Seniors have many years of lasting memories to carry with us in the future. We leave our Alma Mater, dear old Haw River High, with high hope in our hearts that we will in years to come, be an honor to ourselves and to our school.

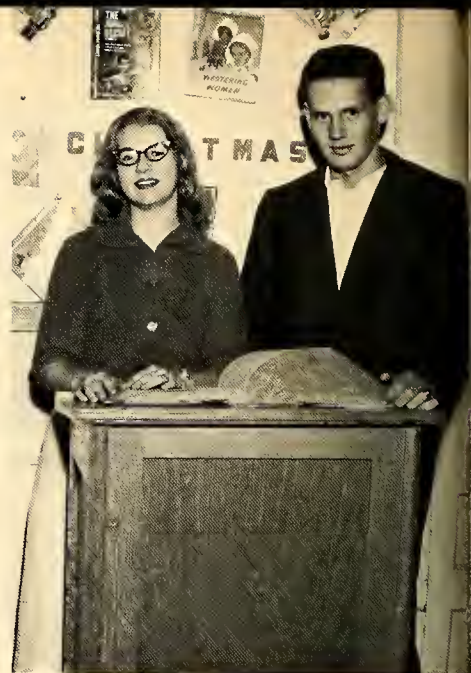

Historian,

Judy Everheart

# Boys' Basketball

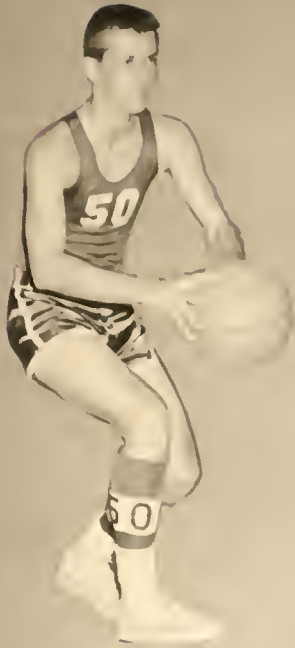

STANDING: Nookie Ray, Max Isley, Charlie Clark, Gerald Smith, Lewis Duncan, Rodney Bayliff. KNEELING: Woodie Blackwood, Butch Pickett, Larry Johnson, Junior Fogleman.

The boys' basketball team opened with four lettermen, two of whom are veterans from last year's varsity. The four are Charlie Clark, Nookie Ray, Gerald Smith, and Lewis Duncan. Max Isley, Junior Fogleman, and Rodney Bayliff complete the line-up and should see lots of action as reserves. Smith and Ray, veterans, should lead the team to a good season.
